PROFILE

Multidisciplinary creative designer with 6+ years of experience across brand identity, UI/UX, social media, performance advertising, packaging, motion and print. I turn business goals into clear, engaging visual systems and manage work from concept through production. My current focus is building consistent, conversion-aware creative for Uncover Wellness.

PROFESSIONAL EXPERIENCE

Senior Creative Designer

Uncover Wellness | Mar 2023 - Present | Gurugram, India

- Lead creative direction and brand consistency across social media, digital advertising, clinic touchpoints and campaign launches.
- Design static posts, carousels, short-form video, performance ad creatives and motion graphics for wellness, skin and hair services.
- Edit long-form YouTube podcast videos, shaping multi-camera footage, pacing, audio, titles and platform-ready final exports.
- Create UI/UX and launch assets for the Uncover patient app and digital product experiences, translating user needs into clear interfaces.
- Develop packaging, brochures, outdoor and in-clinic branding, product listings and website visuals across multiple formats.
- Coordinate stakeholders and production partners to deliver high-volume creative work on schedule while maintaining visual quality.

Creative Designer

Max Life Insurance | Dec 2021 - Mar 2023 | Gurugram, India

- Built reusable design systems and style guidance that improved consistency across product and marketing work.
- Designed mobile experiences and digital graphics informed by user needs, business priorities and current visual trends.
- Partnered with cross-functional teams to take concepts through review, refinement and final production.

Creative Designer

Archies Limited | Aug 2021 - Nov 2021 | New Delhi, India

- Created print and digital marketing materials, motion graphics and campaign assets across customer touchpoints.
- Maintained visual accuracy through careful image treatment, colour correction and production-ready artwork.
